

Best Las Vegas Attractions

Summary: Best Vegas Attractions offers discounts to some of the best exhibitions, shows and museums in Las Vegas.

If you've ever traveled the I-15 North on a Friday afternoon or holiday weekend, one thing is obvious. Everyone is going to Las Vegas.

But once you arrive, the action isn't just on the casino floor. In addition to great Broadway-style shows and concerts, Las Vegas has a wealth of tourist attractions just waiting to be discovered.

A consortium called Best Vegas Attractions has created discount booklets for tourists visiting Las Vegas, which are available at more than 113 resorts. The program is designed to save visitors up to \$500, or anywhere from 15 to 50 percent off the regular prices.

Following are some of the best Las Vegas attractions:

"Bodies...The Exhibition": Showing at Luxor Hotel and Casino, this exhibition features actual human specimens and allows people of all ages access to sights and knowledge normally reserved for medical professionals. It's one of the most interesting, albeit shocking, attractions in Las Vegas.

Fashion Outlets of Las Vegas: Located 36 miles south of Las Vegas in Primm, Nev., the outlets are one of the most popular Las Vegas tourist attractions, featuring more than 100 stores with up to 75 percent off designer fashions.

Hard Rock Café: Las Vegas welcomes its second Hard Rock Café location, with an extensive retail shop, a "LIVE" venue, private function and meeting rooms and a grand cafe restaurant with patio dining and entertainment overlooking the Strip. The (original) Paradise location will keep on "rockin' away" with Hard Rock Café's classic dining and retail items.

Las Vegas Monorail: The Las Vegas Monorail is a quick and convenient connection to the Las Vegas Strip, linking riders to the city's top Las Vegas attractions, world-class restaurants, shows, shops, clubs, hotels and casinos. In just 15 minutes, Monorail riders can travel from one end of the Strip to the other in a safe, clean and climate-controlled environment – without the hassles of traffic or wasted time. The Monorail's electric, zero-emissions trains arrive every few minutes at each of the seven stations: MGM Grand; Bally's/Paris Las Vegas; Flamingo/Caesars Palace; Harrah's/Imperial Palace; Las Vegas Convention Center; Las Vegas Hilton and Sahara. It's one of the most popular Las Vegas attractions for kids, who can't miss the connection to that "other" famous Monorail in Disneyland.

Madame Tussauds Las Vegas: Located in front of the Venetian Resort Hotel Casino, Madame Tussauds Las Vegas is one of the most popular Las Vegas family attractions. The museum offers

guests the unique opportunity to interact with incredibly life-like iconic figures from the celebrity worlds of film, TV, music, sports and politics. Guests can grab hold of their favorite stars with several interactive experiences. With more than 100 wax figures, guests can take pictures, touch and get up close and personal in a themed setting. The Las Vegas attraction is open 365 days a year starting at 10 a.m.

Papillon Airways, Inc.: One of the top Las Vegas outdoor attractions, Papillon Airways and Grand Canyon Airlines/Scenic Airlines since 1929 are the largest “flightseeing” companies in the world, with nearly 70 state-of-the-art helicopters and airplanes, specifically designed to reveal panoramic views beyond imagination. The Halvorson family recently acquired Kenai Helicopters (now known as Grand Canyon Helicopters), Grand Canyon Airlines, Grand Canyon Coaches and Scenic Airlines. These companies are the only companies that fly the entire Grand Canyon including the South and West rims, in addition to tours of Las Vegas, Page/Lake Powell and Monument Valley. Tours afford maximum flight time, enabling guests to fully discover Grand Canyon’s great wilderness and scenic attractions. During busy months, the Halvorson companies fly more than 3,500 passengers daily.

“Titanic: The Artifact Exhibition”: Featuring more than 300 artifacts, as well as breathtaking replicas from the famous ship, the Titanic exhibit inside Luxor Hotel and Casino is always one of the top attractions at Las Vegas. It’s a fascinating, and historical look at one of the most tragic sinkings of our time.

“We know visitors who come to Las Vegas are searching for value,” says Robert Graff, vice president of marketing, Papillon Airways, Inc. “Best Vegas Attractions clearly lays out guest options, making it easier than ever to decide what to do while they are in the destination.”
